

GAUGES & Other Necessities

Racing Spark Plugs

These are the only 2-stroke plugs we recommend. This plug will give you more "safety margin" on overheating and burning a piston. Box.....\$19.95

Regina RX3 520 Chain This is the toughest chain you can buy for your ATV. At a great price.....most \$59.95

Dial Indicator Gauge

Use this for checking ignition timing. Comes with spark plug adapter.....\$29.95

Digital Water Temperature Gauge

We recommend maximum 150 degree water to prevent burned pistons. This is the best gauge we have found for ATV's. You can tell the motor's temperature from 0 degrees up with this electronic gauge..\$99.95

Will even work off a 9v battery!

Adapter fitting for above gauge We make up these inline "Tee" fittings for installing the temp sensor in 3/4" hose.....\$12.95

Kevlar Racing Clutch Kits

Big horsepower won't help if the clutch slips.....\$59.95 to \$89.95

Billet Racing Clutch Baskets...\$225up

Tach & Exhaust Gas Temp. Gauge

This is a new dual gauge that is just the thing to set up your gearing and jetting. This digital instrument can warn you of a lean condition that could blow your motor. Has memory and is back lighted for night use. Don't confuse this with cheaper models Tach & Temp Gauge.....Call

Front Sprockets

Top Quality. We use only these heat treated & case hardened sprockets for most bikes. Avoid cheap sprockets!.....\$19.95

Rear Sprockets

Top Quality Aircraft alloy\$36-46

OILS, LUBES & CHEMICALS

Klotz "BéNOL" Racing Castor

This is our only recommended 2-stroke mixing oil for Alcohol *or* Gasoline. It contains red dye so you can be sure its mixed. This is equivalent to 8 bottles of oil! Save big \$ Gallon.....\$34.95 Quart.....\$11.95

Ratio Rite mixing cup Makes mixing fuel easy....\$3.95

Synthetic Gear Lube

This is the best we've ever used. This stuff is cheap compared to gears & shift forks! Mix with 2 ozs. of energy release for the ultimate in protection.....\$10.95

Gear Saver Gear Lube\$6.95

Energy Release - Metal Conditioner

This amazing product actually treats and smooths metal surfaces causing a great reduction in heat & friction. Use 2ozs. in a 2-stroke transmission, or add 1oz. per quart of the engine oil in your 4-stroke. Try it in your truck-it really works!

E.R.16 oz.bottle..\$29.95

Fastest Turnaround in the business!

Best price on parts too!

Water Wetter

Add a few ounces of this new product to your coolant and your motor can run several degrees cooler.....\$8.95

Motul Chain Lube

This is our favorite chain lube. It does not fly all over your bike & you. Try it you'll like it!.....\$7.99

Castrol Synthetic 20w-50 Motorcycle Racing Oil

This is the ultimate way to protect your Four-Stroke motor investment. This 20w-50 grade full synthetic has excellent high temperature viscosity and will hold better oil pressure. This can save your motor.....\$7.95 qt.

Motul Racing Hi-Temp Brake Fluid

The good stuff! Race proven...\$8.95

See the Carburetor page for air filter oils
